Dear Mr Scott,

I am enclosing a copy of a letter which has been received by Messrs Vickers-Armstrongs Ltd from their Foreman, who was loaned to The Sperry Co, to supervise the installing of the Gyro-Stabilisers constructed here for the "CONTE DI SAVOIA", because I think his remarks may be of interest to you; especially those relating to the tests of the Gyro-Stabilisers in connexion with rolling the vessel.

Yours faithfully.

W. C. Lewis

COPIES

I am enclosing a copy of a letter which was received by Messrs. Vickers-Armstrongs Ltd from their agent, who was loaned to the Society Co., to supervise the fitting of the gyro-stabilisers constructed here for the "H.M.S. RAVOLTA", because I think his remarks may be of interest to you, especially those relating to the tests of gyro-stabilisers in connection with rolling the vessel.

Yours faithfully,
