AIR LETTER FORM.

11th November, 1948.

s.s. "ESSO SALTA" - Reported sunk after being struck by lightning at Campana, Argentine Republic, on 25th September, 1948.

Dear Sir,

With reference to the classification in the Society's Register Book, and to the casualty which is reported to have occurred in the case of the above-named vessel, I beg to acquaint you that the question of inserting a record of the circumstances against the vessel's name in the Register Book will come under the Committee's consideration on the 9th proximo, and in the event of such a record being made, the vessel's class will, in the ordinary course of similar cases, be expunged from the Register Book at the same time.

If, however, you are aware of any circumstances which may render it desirable that the Committee should defer taking the steps above described, I shall be glad if you will kindly communicate with me by return of post.

Yours faithfully,

Secretary.
