recd. 16.10.34.

The Secretary,

LONDON.

Dear Sir,

MESSRS. HARLAND & WOLFF'S NO. 955.

We send you herewith three blue paper prints of proposed Midship Section for the above vessel which is to be built to the order to Messrs. Mollwraith, McEacharn Ltd., for which the Builders will be glad to have approval at your earliest convenience.

The vessel is to be classed Lloyd's 100 A.1. with freeboard, for a loaded draft not exceeding 24 feet.

The approximate freeboard particulars are also enclosed by the Builders. The Profile plan is not yet ready for submission, but an outline preliminary profile has been obtained from the Builders for reference.

The request form for survey will be forwarded later.

We are, Dear Sir,

Yours faithfully,

THE SURVEYORS.
