Dear Sirs,

M.S. "ORIENTAL QUEEN"  
ex. (Kanimbla).

I acknowledge your letter of the 19th October, with enclosures, and shall be glad if you will inform the Owners that their proposal to revert to the Progressive Survey basis, now known as the Continuous Hull Special Survey system, has been approved. The required notes to this effect have been recorded in this Office.

As requested I enclose a form in duplicate giving details of the items to be submitted for Special Survey each year.

It is noted that the Owners intend carrying out the required drilling when the ship is drydocked in Japan in August 1962.

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,  
YOKOHAMA.
