LONDON

Dear Sir,

We have to acknowledge the receipt of your letter of 26th November with reference to the replace gearing of the steamer "AWATEA".

It is noted that the spare main wheel and shaft referred to in your letter H of 7th July last are now completed and are being forwarded to Cockatoo Island, Sydney, N.S.W.

The markings on shaft and wheel shrouds are also noted and will have our attention.

We are, Dear Sirs,

Yours faithfully,

THE SURVEYORS,
