Dear Sir,

Messrs. Blythswood Shipbuilding Co. Ltd.
Yard No. 52.

We are in receipt of your letter of the 27th instant relating to the Plans of the Electrical Installation for the above vessel, for which we thank you.

We shall be sending to you further copies of these Plans as requested.

As mentioned to Mr. Watson yesterday the Circuit Diagram will probably be very slightly amended and in due course we shall forward you copies for your approval. On these will be marked particulars as to the capacity of the Generators and the size of the shore connection cable, etc.

We are, dear Sir,
Yours faithfully,
