Dear Sir,

Messrs. Furness Shipbuilding Co. Limited.
"EMPIRE CHIEFTAIN" - Electrical Test Certificates.

We are advised by the Furness Shipbuilding Company that the wrong test certificate in favour of the Forced Draught Fan Motors was inadvertantly included among those forwarded with the First Entry Report for the above mentioned vessel. It appears that the motor manufacturers have only recently discovered the error and now ask for the return of the Test Sheet No. 15399, for which is enclosed herewith the correct Test Sheet No. 15400 as replacement.

We shall be glad to receive from you the Test Sheet
for return to the manufacturers.
