For the CHIEF SHIP SURVEYOR ~~CHIEF ENGINEER SURVEYOR~~

(In cases which have to be submitted to the Classing Committee the endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case so that the Classing Committee may have all the salient points presented in the endorsement.)—Extract from Sub-Committee's Report 24592.)

3rd No. 2

SURVEY PARTLY HELD.

When due

12. 21

When proposed to be completed

Portion of Survey held, &amp;c.

The 3rd S.S. No. 2 due 12.21 has been partly held.

The Naples Surveyors on the 29th August stated the vessel was laid up at that port, sequestered by Creditors, to await the Italian Courts order for sale by auction.

The case received consideration on the 29th September when action was deferred, subject to the conditions usually required in similar cases, and the Naples Surveyors were requested to inform the Auctioneers accordingly.

The same Surveyors now state the vessel <sup>has</sup> sustained little damage through fire, and that she will be sold by auction this month.

It is submitted action be deferred for the present.
