GLASGOW.

6th January, 1928.

Recd. 7-1-28.

Sir,

In reply to your letter of the 21st ultimo

in regard to the surveys due on various vessels owned
by Mr. ^{William} Robertson I beg to acquaint you that the Owner's
Superintendent states that so far he has arranged for the
survey of the "TOURMALINE" to be taken in hand within the
next few weeks, when a new boiler will be fitted.

The "ONYX", "EMERALD" and "CAIRNGORM" will
follow in this order.

With regard to the "ESSONITE", the Boiler Survey
will be held at the next cleaning.

I may add that I have arranged with Mr. Robertson's
Representative to draw up in the course of the next week or
two a complete list of the surveys due on his vessels during
the present year, with his proposals for carrying them out
and these proposals will be forwarded shortly.

I am, Sir,

Your obedient servant,

(Sgd.) P.L. Warlow.

Secretary to the
Glasgow Committee.

The Secretary,
