

It is submitted the Solicitor to the Board of Trade should be informed that the Surveyors to this Society under whose supervision the "WARATAH" was built at Glasgow are Mr. A.B.R. Harris, who is now to be found at 342, Argyle Street, Glasgow and Mr. J. McIlvenna whose Office is now at Nos. 97 & 98, Scottish Provident Institution Buildings, Donegall Square West, Belfast.

The particulars of the departures from the 1907-8 Spar Deck Rules which were made in the construction of the S.S. "WARATAH" can be proved either by the Society's Chief Ship Surveyor or by Mr. C. Buchanan - his Assistant.
