London.E.C.3.

Dear Sir,

Vessel No.882.

We have to thank you for your letter of the 5th inst.,
enclosing 7 plans of the steel vessel No.882, which we are proposing
to build by the use of electric welding on the Quasi-Arc system.

We are pleased to note that your General Committee have
approved, subject to the qualifications mentioned in the 2nd
paragraph of your letter, to class the vessel 100 A.1 "Electrically
Welded", "Subject to Annual Survey", and subject to the notation
"Experimental" being made in the Register.

Yours faithfully,
