ALL COMMUNICATIONS TO BE
ADDRESSED TO THE COMPANY.

The Secretary,
Lloyd's Register of Shipping,
London.

Dear Sir,

Vessel No. 882.

We submit herewith the Midship Section, Profile
and Deck plans (Plans Nos. ¹882, ²882 & ³882) of this Vessel
for your approval. This vessel is of the Raised Quarter
Deck Type for general coasting service. We desire her to
be classed 100 A.1 special survey, and shall be glad to
hear from you with regard to this.

The Connections are to be electrically welded. The
welding is to be carried out on the Quasi-Arc system such
as was used in the experiments recently made by ourselves
under the supervision of your Chief Ship Surveyor. The
details of the welded joints are shown on Plans Nos. ⁴882
⁵882 sent herewith.

We shall be glad of your early approval. © 2018

Yours faithfully,
CAMMELL LAIRD
