

Extract from letter received from Liverpool Office,  
dated 10th April, 1920, on the S.S. "FULLAGAR",  
Messrs. Cammell Laird's No. 882.

---

Regarding the freeboard of this vessel, I beg  
to inform you that the capacity above the top of the floors  
to tank top in way of the oil fuel tank is 493 c.ft., and  
shall be glad to learn if any alteration to the freeboard  
certificate, dated 16th March, 1920, is necessary.

(Sgd.) JOHN NEEDHAM.

*assignment*

*not affected  
tonnage measured to floors  
for coeff*

*Note added to endorsement on  
letter.*
