AIR MAIL

Enclosures.

17th July, 1935.

Dear Sirs,

E. With reference to the Loeffler Boiler Installation for the s.s. "CONTE ROSSO" I have to inform you that the plans forwarded with your letters of the 7th and 15th June, together with the remarks contained in your letter of the 12th instant, have been examined, and I enclose herewith a memorandum which has been prepared dealing with this case, and I have to request that you will be carefully guided in accordance therewith.

I shall be glad to learn whether this Boiler will be completely manufactured at Trieste, and, if not, to what extent it will be partially manufactured elsewhere. You should also state whether any part of the Boiler unit will be finally welded on board the vessel.

One set of the plans is returned herewith.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,
TRIESTE.
