9th May, 1935.

Dear Sirs,

E.

I am duly in receipt of your letter of the 3rd instant respecting the s.s. "CONTE ROSSO", and in reply to your enquiry have to request that you will inform Messrs. Cantieri Riuniti dell'Adriatico that the Society has no published Rules relating to the construction of turbines, and that the Society's requirements regarding marine boilers will be found in the Rules for Engines and Boilers.

I take this opportunity of enquiring whether you are yet in the position to forward the plans requested in my letter of the 5th ultimo.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

TRIESTE.
