

REEBOARD REPORT on the "City of Ghent".

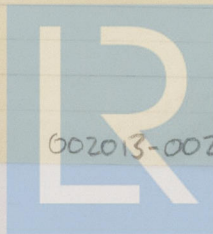

It is submitted a copy of the Load Line Certificate be forwarded to the Dublin Surveyor as requested, the Surveyor being informed that the original has been destroyed. The copy of the certificate should show the endorsements in respect of the annual load line surveys held in 1954 and 1955.

The surveyor should be requested to keep this office advised of any material considerations arising in the preparation of the enquiry and which might be likely to affect the Society's interests.
