Dear Sir,.....

We are forwarding now report of part
survey held in the case of the stranded vessel "BORE VI".

Since our reply to your memorandum, dated
7-2-55, we discussed with the Shipyard "De Biesbosch"
the items required to be dealt with for a possible
unloaded voyage to Finland. The Yard, however, never
received up till now a reply to their relative letter
sent to the Owners.

Yours faithfully,

The Secretary,
LONDON
