Malmö, July 22nd, 1920.

Received from Chief Ship Surveyor

d by Chief Ship Surveyor

EL'S NAME Steel SS. "ELLWIRON"

Rpt. Malmö No. 74

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

wurden.

Charge of Survey

Equipment

The Surveyors should be informed that the ^{new} certificate referred to in their letter of the 22nd inst. has not yet come to hand, & until satisfactory tests are produced, or the anchors retested by one of the Society's Surveyors at an approved machine, the Legation cannot be assigned.
