

FREEBOARD REPORT on the *Caledon S.B. & Co. Ltd. Oil Tankers*  
Nos. 313 and 314.

It is submitted the Freeboards given on the accompanying form being those required by the Tables merit approval, *subject to the particulars and dimensions now supplied being received on completion of the ships and to the ends of erections being closed as required for full allowance.*

*The under-deck tonnage given by the Builders, viz 6386 tons appears to be small, the freeboards have been computed on a corrected tonnage coefficient of .74 obtained with this under-deck tonnage and are, therefore, subject to alteration if found necessary.*

*When submitting his final report the Surveyor should give the under-deck tonnage calculated to a standard height of ordinary floors and a standard depth of frame, assuming the ship to be fitted with the usual thickness of sparring and ceiling.*
