Dear Sir,

S. m.v. "Empire Conlea".

Thank you for your letter of the 5th instant setting out items which are still required to be carried out on this vessel in order to comply with the Society's Rules.

We are arranging for 45 fathoms of 15/16" diameter chain cable to be supplied and will also at the first opportunity arrange for permanent repairs to be carried out to the Starboard bower anchor and the stream anchor to be tested in order that figure ' 1 ' can be assigned to vessel.

All other outstanding, will also be completed in due course and we will of course instruct your Surveyor to be present wherever any of the repairs are completed.

Please make a note of our new address.

Yours faithfully,

FOR AND ON BEHALF OF

JEPPESEN HEATON LIMITED
