

to Chief Surveyors.....

Received from Chief Surveyors.....

IPS NAME.....

"GULFWAX"

REPORT.....

Mob.

No. 2650

For the CHIEF SHIP SURVEYOR and CHIEF ENGINEER SURVEYOR.

In cases which have to be submitted to the Classing Committee "the endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case so that the Classing Committee may have all the salient points presented in the endorsement." (Extract from Sub-Committee's Report, 24/5/92.)

re of Survey.....

Docking.

When due.....

Subject to sternframe solepiece (renewed
and T.W. 8,48) being further examined next drydocking.

1,53 Mob. Subject.

The MOBILE Surveyor recommends the deletion of the
above subject of class. This recommendation is however
referred to Mr. McCocks for special attention.

In view of time which has elapsed since the T.W. repair
was executed, of the fact that no defects have been
reported in the interval and that the original repair
was carried out under the direct supervision of
acknowledged experts in this process, it is submitted
the recommendation, in this instance, be approved.
