Dear Sir,

I am in receipt of the verification of marking form in respect of the s.s. "HEBRIDES", and note that the conditions of freeboard assignment in this case are still complied with.

In the circumstances I send herewith a fresh Convention certificate and certified copy for this ship, valid for a period of five years, for issue when the 3rd Special Survey No.2 is completed, and shall be glad if you will arrange for those previously issued to be returned for cancellation.

I may add that no fee should be charged for the survey in connexion with the issue of the fresh certificates in this instance.

I am, Dear Sir,

Yours faithfully,

The Secretary,
