Dear Mr.Sladden,

Thanks for the information contained in your letter of the 1st. instant concerning the "HELENIC PRINCE".

Mr.Stocks has been informed of the contents and he suggests that the Midship Section, Profile & Deck Plans be forwarded to this office for Mr.Scully's guidance in completing Rpt.1.

I shall be pleased if you will let me have these as soon as possible.

Many thanks and kind regards.

Yours sincerely,

B. Musfatti.
