Dear Mr. Moffatt,

With reference to Mr. Stocks' enquiry today regarding the "HELLENIC PRINCE", I cannot, for the time being, find the correspondence relating to the approval of plans. There is, however, a note from the Reports' Department on an endorsement which reads as follows:-

"The scantlings and arrangements have been examined in this Office and the vessel found suitable for the class 100A- "With Freeboard" corresponding to a summer moulded draught of 17' (see endorsement dated 11th October 1946)!"

I hope this will answer your purpose meantime.

With kindest regards,
Yours sincerely,

C. Moffatt, Esq.,
BARRY.
