

002062-002070-0029

s.s. "ALBATROSS"

The Owners desire this vessel to be towed next Monday from Plymouth to Barry for survey and repairs, and have requested that the Torquay Surveyor be instructed to issue a certificate to say she is fit for the voyage.

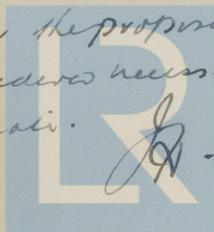

Three Engineers will be on board.

Rue

10. 12. 48.

Provides the Surveyor carries out an examination of the vessel sufficient in extent to satisfy himself entirely as to her fitness for the proposed voyage and all ~~necessary~~ repairs considered necessary effected he may issue a certificate.
