S.S. "ALBATROSS"

With reference to Mr. Cook's memo 24.11.48, it is submitted
the PLYMOUTH Surveyors be informed of the requirements for
classification as contained in Endorsement 11.10.46, to which
should be added the requirements of a PERIODICAL SPECIAL SURVEY (D),
including the drilling of the shell plating.

*the machinery plans as required for
classification of vessels not built under
they must be submitted for consideration*
