23rd March, 1935.

Dear Sir,

S.

With reference to Greenock Report No.19920 on Kincaid's Donkey Boiler for the motorship "AMASTRA", I have to acquaint you that the certificate number entered thereon for this boiler, namely 2032 is the same as that given for the port donkey boiler fitted into the steamer "SAN AMADO" (Greenock report No.19905).

I shall be glad if you will kindly look into the matter and let me have a note of the correct certificate numbers in due course.

I am, Dear Sir,

Yours faithfully,

Clerk to the  
Classification Committee.

The Secretary,

GLASGOW.
