Telephone : ROYal 3551 (8 Lines)

28th September, 1956.

Dear Sir,

I have your letter and enclosure of the 18th September relating to the steamer "DALESIDE" and note that the Owners desire to postpone the Special Survey for six months.

In view of the age of this ship it is considered that a satisfactory General Examination in accordance with circular No.1959 should be held in drydock about the due date of the Special Survey, i.e. October, and it is concluded that the Owners will make the necessary arrangements on the vessel's arrival at Aberdeen or Peterhead towards the end of that month.

With reference to the Owners' remarks regarding the Screwshaft Survey it should be pointed out to them that the screwshaft requires to be renewed by the end of December, 1956, as recommended by the Aberdeen Surveyors in December, 1955.

You will observe that the Boiler Survey becomes due at the end of December.

Yours faithfully,

c.c.Abn.

Clerk to the  
Classification Committee.

The Secretary,  
GLASGOW.

c.c.Abn.
