

# POSTPONED SURVEYS

Case of the S.S. DALESIDE No. 57378 in R.B.

Built 1910-1 Tonnage \_\_\_\_\_ Owners \_\_\_\_\_

Class \_\_\_\_\_ Port of Registry \_\_\_\_\_

Last docking date 12.55

Surveys due Special Survey 10.56 B.S. due 12/52  
Shell plate C3 (p.s.) also deck plating being specially examined  
& dealt with as necessary at the S.S.  
Screwshaft being renewed by 12.56

Proposed to be held April 1957 - 6 months.

Remarks Vessel will be at Aberdeen or Peterhead towards the end of October  
for load line survey.  
Owner desires to know minimum work necessary at load line  
so that docking would not be necessary until the SS is held.

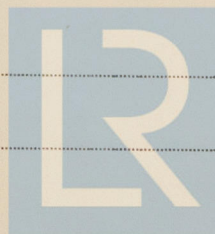

Of Surveyors' recommendations In view of the age of the ship  
(46 years) it is submitted a satisfactory  
GE (Cii. 1954) should be held in dry  
dock about due date.

Note conversion of class re screwshaft. 25.4.56.
