Dear Sir,

"FAKIRA"

I duly received your letter of the 7th January and have to confirm my cablegram of today as per copy attached.

Fbd.

A summary of the recent history of the ship is forwarded for your information and I have to say that should you be called upon to give evidence you should confine your remarks to statements of fact, of which you are personally aware and you should refrain from expressing any opinions on other matters.

As it is understood there was no loss of life in this case it was thought advisable to request information from you regarding the circumstances leading to water entering the holds and the nature of the evidence given in this connection at the preliminary Inquiry.

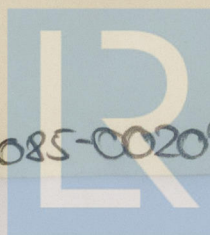

Yours faithfully,

pro Secretary.

J.R.P. Conolly, Esq.,

HWM.

KARACHI.
