

17th February 1941.

Helsingfors.

S.S. "IMMO RAGNAR".

I shall be glad if you will ascertain from the Owners and let know what definite arrangements they propose making to carry out Special Survey No.1 and the other Survey, which became due at the end of April and July last respectively. I may say that the notice addressed to the Owners in regard to these inspections on 25th October last failed to elicit a reply.

I think it well to add that the vessel's Freeboard Certificate will expire on the 30th April next. It is concluded that a survey for the renewal of this Certificate will be carried out in conjunction with the Special Survey.
