Lloyd's Register of Shipping.

BOMBAY.

Port

8th MARCH 1947.

This is to Certify that I have

surveyed the Boiler and Machinery of the Turbine Steamer "KILWA"
(ex "Kiungchow") 2653 tons gross of London, on the 23rd November
1946 and subsequently whilst the vessel lay afloat and in Mogul
dock, Bombay for Classification purposes

and that I have transmitted to the Committee of Lloyd's
Register of Shipping, London, a Report stating that all
commendations made by me in connection therewith have
been carried out to my satisfaction, and that I have
recommended that the records of T.S. (OG) 3, 47, and L.M.C.

made in the Register Book in the case of this vessel
solid drawn copper oil pressure pipes of the oil fuel
injection being replaced by solid drawn steel pipes at the
convenient opportunity.

T. H. Noel

Engineer Surveyor to Lloyd's Register.

This certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—
The Committee use their best endeavours to ensure that the functions of the Society are properly
to be understood that neither the Committee nor the Society are under any circumstances whatever
responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in
the Register Book or other publication of the Society, or for any error of judgment, default, or
the Committee or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
