Dear Sir,

S. With reference to Glasgow Report No. 38838 on the Steel S.S. "MASULA", I have to say that it is concluded that the brackets at the bilges are extended above the tank top, in accordance with the approved Plans, but I shall be glad if you will ascertain from the Surveyors and let me know whether this is so.

The approved Plan of the bulkheads should be forwarded to this Office with the Report of the Sister Vessel.

I am, Dear Sir,

Yours faithfully,

Secretary.

The Secretary,
GLASGOW.
