Enclosure.

12th August, 1936.

Dear Sir,

T.S.S. "MASULA" and T.S.S. "MUNDRA"

E.

I was duly favoured with your letter of the 7th instant forwarding plan, in triplicate, showing the insulated chambers proposed to be fitted in the above vessels, and with regard thereto I have the pleasure to inform you that this plan will be approved, provided the fastenings of the insulation be to the satisfaction of the Society's Surveyors, the arrangements be as shown on the plan and the remaining requirements of the Rules for Refrigerating Machinery and Appliances be complied with.

One copy of the plan in question is returned herewith.

It is noted that the work will be dealt with in India and that you have asked your Managing Agents, Messrs. Mackinnon, Mackenzie & Co., Calcutta, to make the necessary application to the Society's local Surveyors, and I may say that the requisite instructions have been sent to the Calcutta Surveyors, as desired.

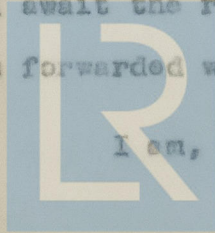

In the meantime I await the return, duly completed, of the survey request forms forwarded with my letter of the 30th ultimo.

The Secretary,  
British India Steam  
Navigation Co. Ltd.,  
122, Leadenhall Street,  
LONDON, E.C.3.

I am, Dear Sir,

Yours faithfully,

Secretary.
