Enclosures.

12th August, 1936.

Dear Sirs,

T.S.S. "MASULA" & T.S.S. "MUNDRA"

I have to acquaint you that refrigerating machinery proposed for the above vessels has been constructed by Messrs. J. & E. Hall, Ltd., of Dartford, England, and has been despatched to Calcutta for installation.

I enclose, for your information and guidance, a copy of a letter which has been addressed to the Owners of these vessels in regard to the approval of a plan of the insulated chambers proposed to be fitted. A copy of the plan is also enclosed, together with a copy of a communication received from the Owners, from which you will observe that the work is to be dealt with in India, and I shall be glad if you will give the case the requisite attention.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

CALCUTTA.

Secretary.
