INTERNATIONAL CONVENTION 1930 RESPECTING LOAD LINES.

RENEWAL SURVEY IN ACCORDANCE WITH ART. 14 OF THE CONVENTION.

(Port) ROTTERDAM.(Date) 30th June 1939.

I have to report that I have surveyed the Dutch
tug "SCHELDE" of Rotterdam O.N. ---
on this date.

I have compared the arrangements on board the ship with those given in the original freeboard report and I have found them to be in agreement therewith or equivalent thereto, and the whole to be in efficient condition.

The Special Survey No. 3 has been completed at this time and the original freeboard certificates have been transmitted to the Dutch Authorities for extension by them until the year of grace allowed for the next Special Survey, ultimo June 1944.

The freeboard marking has been verified and found to agree with the freeboards given on certificate No. --- dated ----
~~which is returned herewith.~~ issued by the Dutch Authorities.
