ENCLOSURE.

(One Certificate)

8th November, 1938.

LISBON.

2993, 2984, 87. As recommended.

"CARVALHO ARAUJO" 2996. As recommended.

2970. "SILVA GOUVEIA" This vessel has been classed 100A-  
with notations of S.S. No.3-8.38, LMC 8.38, subject to the ballast  
pump being fitted with a direct bilge suction and to the circulating  
pump casting being renewed. I shall be glad if you will kindly  
let me know within what definite period in your opinion, this casting  
should be renewed. At the same time I think it well to point out  
that in future similar cases where an old ship is being submitted  
for classification for the first time, a report dealing with the  
Special Survey held (as distinct from the First Entry Report)  
should also be furnish on forms Rpt.8/<sup>29</sup> and the general declaration  
as contained in your present First Entry Report should be inserted  
on the Rpt.8. I have to thank you for your letters of the 29th  
and 23th  
September and 3rd/~~assistant~~ the contents of which are noted.
