Received from Chief Ship Surveyor _____

L'S NAME

"SILVIA GOUVEIA".

Rpt.

Lis.

No. 2970.

remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

(“The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement.”—*Extract from Sub-Committee's Report, 24/5/92.*)

When the proposal to class this vessel, which was not built under survey, was considered in May, 1937, the plans were returned to the Lisbon Surveyors.

These plans have not been forwarded with the First Entry Report.

It is submitted the Surveyors be requested to forward these plans.

They should also state the overall length of the vessel in accordance with Circular 1703.
