

Encls.

17th January, 1917.

Dear Sirs,

S. I am in receipt of the copy you have been good enough to forward of your letter of the 9th December, respecting the Motor Vessel "PERU", and as the First Entry Certificates for this vessel have not yet reached you, I enclose herewith fresh ones in their place.

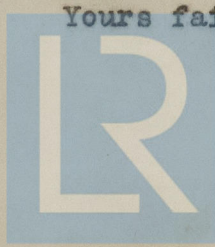

With regard to the Steamer "NORDLYS", referred to in the same letter, I have to remind you that the classification of this vessel is delayed on account of the Freeboard, which is a condition of the vessel's classification, not having yet been verified.

In my letter of the 19th December, I requested that you would be so good as to ascertain from the owners, what arrangement is proposed to be made for the Freeboard to be marked and verified, but I do not appear to have had a reply from you on the subject.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
COPENHAGEN.
