

COPY.

17th January, 1917.

Dear Mr. Orbech,

With reference to your letter of the 9th December, I regret to say the original of which unfortunately appears to have been lost on its way, I find that the plans of the pumping arrangements, and the various machinery plans of the motor vessel "PERU", were not returned to you as requested in your letter of the 23rd October, but are still in this office.

In all the circumstances, it occurs to me to inquire whether it would be possible for you to obtain other copies of these plans for the remaining sister vessels; but if this will cost you any trouble, and you will kindly let me know, I will send on the machinery plans at once.

With kind regards,

Yours faithfully,

A.F. Orbech, Esq.,

COPENHAGEN.
