M.S. "NORDEN".

It is submitted Mr. Chisholm be informed that it is understood this vessel is to be chartered to the Anglo-Saxon Petroleum Company who require the Owners to produce the Society's freeboard assignment letter, as the Charter is based on this freeboard. Only the Norwegian freeboards will be marked on the vessel's sides.

In this connexion Mr. Chisholm should be informed that the Society can only assign the freeboards to which the vessel is entitled under the Regulations.

He should therefore arrange for the usual particulars to be supplied on Form 11b.
