Glasgow, C.2.

7th August, 1941.

My dear Richard,

"MAUNGANUI"

I have your letter of the 31st July, regarding the above vessel. Up to the present the plans of the alterations which you say are being sent officially have not arrived. I thought I had better let you know this in case you are requiring an early reply to the points raised in your letter.

Yours sincerely,

Frank Burt
