Enclosure.

5th September, 1930.

Dear Sir,

With reference to Greenock report No.19197 of survey held on the oil engine machinery manufactured by Messrs. John G.Kincaid Ltd., for the motorship "LONGWOOD", I have to acquaint you that the Committee have had before them to-day a report from the Society's Surveyors at Sunderland, from which it appears that the machinery has satisfactorily been fitted on board, and the vessel has accordingly been classed #100A1, Carrying petroleum in bulk, with notations of #LMC 8.30, CL, Oil Eng, 2DB 150 Lb. and Lloyd's A & CP.

I am, Dear Sir,

Yours faithfully,

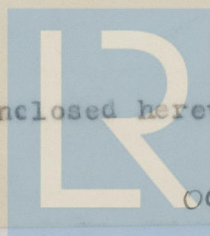

pro Secretary.

The Secretary,

GLASGOW.

P.S. The machinery certificate is enclosed herewith.
