FREEBOARD REPORT on the

Messrs J. Reahead & Sons Ltd.

88. Nos 504 & 505

It is submitted the Freeboards given on the accompanying form, being those required by the Tables, merit approval, subject to the particulars and dimensions now supplied being verified on completion of the ships and to the ends of erection being closed as required for full allowance.

The provisional freeboards have been computed on a corrected tonnage coefficient of .78 and are subject, therefore, to alteration if found necessary.
