

MESSRS. SWAN HUNTER & WIGHAM RICHARDSON'S S.S. NO. 1136.

This vessel is in the last grade of Table 31 of the Rules in which a kedge anchor is required.

The Owners, the British Tanker Company, desire that this kedge anchor might be dispensed with, as they do not consider it necessary.

In view of the proposal being put forward by the Owners, it is submitted for the favourable consideration of the Committee.
