H.

Dear Sirs,

I beg to acknowledge the receipt of your letter of the 4th instant respecting the Steamer "LUCITA", and, in confirmation of the conversation over the telephone this afternoon, I have to inform you that, in the circumstances, the Committee are agreeable to this vessel being submitted to a further extended General Examination with a view to 12 months' service in the U.K./Continent coastal trade.

It is noted you propose to carry out the General Examination, together with the Boiler Survey and a Freeboard Renewal Survey, on the occasion of the dry docking which is anticipated will take place at Rotterdam towards the end of the present month and I may say that the necessary instructions have today been forwarded to the Society's Surveyors at that port.

Yours faithfully,

Clerk to the  
Classification Committee.
