19th November, 1943.

Dear Sir,

With reference to my letter of yesterday's date respecting the Steamer "EMPIRE CLYDE", I beg to acquaint you that the Owners have to-day requested the attendance of one of the Society's Surveyors for the purpose of carrying out a Boiler Survey on the vessel. It was explained to the Engineering Superintendent that the Boiler Survey was held at Baltimore in August last, but nevertheless he stated that it was desired that a further survey should be held with a view to keeping the Annual Boiler Survey and Ministry of War Transport Passenger Surveys in line.

I therefore telegraphed you to-day as below:-

"37379 FURTHER MY LETTER YESTERDAY ACCORDANCE MANAGERS REQUEST FURTHER BOILER SURVEY ARRANGED TO SYNCHRONISE WITH MOWT PASSENGER SURVEY NOW BEING HELD".

I am, Dear Sir,  
Yours faithfully,

The Secretary,  
WOKINGHAM.
