Lloyd's Register of Shipping.

INTERNATIONAL CONVENTION 1930 RESPECTING LOAD LINES.

RENEWAL SURVEY IN ACCORDANCE WITH ART. 14 OF THE CONVENTION.

(Port) Curacao, N.W.I.

(Date) 10th Feb. 1938.

I have to report that I have surveyed the S.S.S.
" Martica " of Willemstad O.N. 3465
on this date.

I have compared the arrangements on board the ship with those given in the original freeboard report and I have found them to be in agreement therewith or equivalent thereto, and the whole to be in efficient condition.

The Special Survey No. 3. and the LMC survey completed at this time.

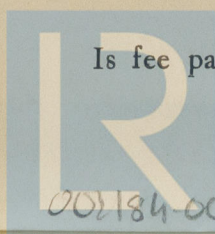

The freeboard marking has been verified and found to agree with the freeboards ^{originally} given ~~on certificate No.~~ and ~~and~~ the Harbourmaster ~~which is returned herewith.~~ has been notified in order that he may endorse or renew the certificate, this being the usual procedure at this port.
