Dear Sir,

Motorship "SANNY"

I duly received your memorandum of the 21st ultimo, the contents of which were referred to the Malmo Surveyors.

In reply, they now state that the screwshaft was not examined by them at Solvesborg in May, 1952, and I shall therefore be glad if you will inform the Owners accordingly, and advise me of their intentions in this respect for the Committee's information.

Yours faithfully,

per Clerk to the
Classification Committee.

T. Donaldson, Esq.,
HAIFA.
