Dear Sir,

Cochrane & Sons' Nos. 1386/7

With reference to our letter of the 9th and your reply of the 15th instant, relating to the re-design of the above vessels on account of the change from oil to coal burning, we now beg to submit for consideration of the Committee three copies of each of the amended plans of Profile and Deck and Midship Section.

In forwarding these plans the Builders' request that the original plans approved for oil burning should be cancelled, and they draw attention to the altered dimensions of the vessels.

An amended Request Form is also enclosed.

Yours faithfully,
The Surveyors.
